

American-Scandinavian Foundation grants 2017-18

The American-Scandinavian Foundation (ASF) is pleased to announce that we are now accepting applications for our Fellowships and Grants program for the 2017/18 academic year.

The deadline for applications is November 1, 2016.

Awards for Research/Study in Scandinavia

The ASF will offer around \$300,000 to outstanding American students, scholars, professionals and artists for study and/or research in Denmark, Finland, Iceland, Norway or Sweden. Fellowships of up to \$23,000 are intended to support an academic year-long stay, and priority is given to students at the graduate level who need to spend time at foreign academic or research institutions. Grants of up to \$5,000 are considered more suitable for shorter research visits, both on the graduate or post-doctoral level. Funding is available to candidates in all fields.
