

New Directions in Scandinavian Studies

This series offers interdisciplinary approaches to the study of the Nordic region of Scandinavia and the Baltic States and their cultural connections in North America. By redefining the boundaries of Scandinavian studies to include the Baltic States and Scandinavian America, the series presents books that focus on the study of the culture, history, literature, and politics of the North.

Menacing Environments

Ecohorror in Contemporary Nordic Cinema

BENJAMIN A. BIGELOW

Bigelow examines how ecohorror rings some of the same alarm bells that climate activists have sounded, suggesting that the proper response to the ongoing climate catastrophe is not optimism and a market-friendly focus on sustainable development, but rather fear and dread.
